

Program Year 1 Progress Report

Name: [Click here to enter text.](#)

Assigned Community: [Choose an item.](#)

Date: [Click here to enter a date.](#)

Progress Report to be completed and turned in to the Community Liaison; this Progress Report will also be shared with FCM faculty and your Community Faculty member.

- Objective(s):
1. Describe the ABCD approach and understand the difference between Individual, Associational, and Institutional assets.
 2. Describe the Chronic Care Management and Patient-Centered Medical Home models and discuss how they relate to your partner community.
 3. Recognize the physical boundaries of your partner community.
 4. Identify a wide variety of assets in your partner community.
 5. Identify locally-defined health and wellness concerns as recognized by community members.

- Work Products:
- | | |
|---|--|
| <input type="checkbox"/> My ABCD Assets; | <input type="checkbox"/> Reflection & Application; |
| <input type="checkbox"/> Community Asset Map; | <input type="checkbox"/> Developing Ideas; |
| <input type="checkbox"/> Windshield Survey; | <input type="checkbox"/> Timeline & Log Evaluation |
| <input type="checkbox"/> A Day in the Life; | |

Instructions: Read Chapter 1 in *Communities & Health Professionals Together Resident Project Workbook, 4th Ed.* and complete assigned CHPT Block time with your assigned community. Complete work products with support of CHPT Faculty and reflect on your experiences below:

1. How will you use the ABCD approach to influence your project?

2. What subject areas or topics of interest do you want to learn more about?

3. Have you identified a project idea or subject area that you want to pursue for your project?
Please elaborate.
