

Program Year 2 Progress Report

Name: [Click here to enter text.](#)

Assigned Community: [Choose an item.](#)

Date: [Click here to enter a date.](#)

Progress Report to be completed and turned in to the Community Liaison; this Progress Report will also be shared with FCM faculty and your Community Faculty member.

- Objective(s):
1. Make connections in your partner community.
 2. Use the Logic Model to plan projects and interventions.
 3. Inventory and mobilize local assets as part of your community project.
 4. Evaluate your project and reflect on lessons learned.

- Work Products:
- | | |
|--|---|
| <input type="checkbox"/> First Steps of Project Planning; | <input type="checkbox"/> Identifying Partners; |
| <input type="checkbox"/> Developing an Intervention; | <input type="checkbox"/> Outcome Measures |
| <input type="checkbox"/> Create a Draft Project Logic Model; | <input type="checkbox"/> Budget Worksheet/Request Form (<i>if applicable</i>) |

Instructions: Read Chapter 2 in *Communities & Health Professionals Together Resident Project Workbook, 4th Ed.* and complete assigned CHPT Block time with your assigned community. Complete work products with support of CHPT Faculty and reflect on your experiences below:

1. Please describe how you have applied the ABCD approach to your project.

2. How will you mobilize the community/assets to contribute to the implementation of your project? How will you sustain their involvement?

3. Review page 36 of your workbook. How will you monitor your project during the implementation process?
