Progress Report to be completed and turned in to the Community Liaison; this Progress Report will also be shared with FCM faculty and your Community Faculty member.

- Objective(s):
1. Make connections in your partner community.
 2. Use the Logic Model to plan projects and interventions.
 3. Inventory and mobilize local assets as part of your community project.
 4. Evaluate your project and reflect on lessons learned.

Work Products: Outcome Data Analysis; Reflections;
 Project Report; Poster Presentation (Spring event)

Instructions: Read Chapter 3 in *Communities & Health Professionals Together Resident Project Workbook, 4th Ed.* and complete assigned CHPT Block time with your assigned community. Complete work products with support of CHPT Faculty and reflect on your experiences below:

1. Is this project complete?
If not, have you identified another resident or community member/group to continue your work? Who?
2. How will this project be sustained into future years?
3. What words of wisdom would you share with the new intern class as they begin their CHPT rotation?
